

## A Message from His Grace Bishop Ioannis

*“Return to me, and I will return to you,  
so says the Lord Almighty.”  
-Zechariah: Chapter 1, Verse 3*

### Dear Parishioners and Friends of the Cathedral,

As we look back on our past year as a community, we can't help but see what a year of rejuvenation we've had. Finally free from all pandemic restrictions, we have come back roaring as a community. We have a vibrant new youth program in Elpida which has filled our church and religious education classrooms with children once again. Our dance program took FDF by storm by winning the illustrious Sweepstakes award for the first time in Cathedral history. Our basketball team as well won their league championship. Our Parish Council is making strides with renewed vision and proactive efforts.

But perhaps the most beautiful sight of all, was the astounding attendance we experienced during Holy Week this year. Specifically on Holy Friday Evening and Pascha, we welcomed hundreds of faithful to our Cathedral again at long last.

To think at various points during pandemic years that we wondered about the future of our community seems a distant memory now as we are back,

booming with enthusiasm and renewed energy for our Faith and our church.

However, now that summer approaches, we will experience our annual lull as many of us depart for well-deserved vacations locally, in Greece, or other destinations far from home.

We pray that the Lord keeps you safe as you travel and enjoy your summer respite. Yet we also pray that you keep your Cathedral and community in mind during your time away.

Therefore we ask that you prayerfully consider making a Summer Offering to keep efforts alive over these months until we pick back up in September with our Festival and all of our wonderful youth programs. Your support during the summer months will allow us to continue all of our works and efforts that we put forth in the Name of the Lord.

In Christ,  
*His Grace Bishop Ioannis of Phocaea*

### Pascha Recap

What a joy it was to welcome hundreds of faithful during Holy Week and on Pascha. After three long years under restrictions it was wonderful to have our church full again!

# Philoptochos Mothers Day Luncheon

**Foula Vasilogiorgis** Foula was born in 1949 to Evangelos Protopappas and Maria Diakakis in San Francisco, California. She has a brother and sister. Foula's parents were Greek immigrants whose father had come from the island of Kasos to the United States through Canada in the late 1920's. He later returned to Greece to marry and bring Foula's mother back to the United States. Foula and her family have a deep history at the Annunciation Cathedral. She has been a part of various ministries, she attended Sunday School, Greek School, G.O.Y.A., YAL, singing in the choir, Greek Dancing, Parish Council, Secretary and Vice-President of Philoptochos, Chairman for the Food Festival, and Summer Camp. Foula is also a part of the Daughters of Penelope founded in 1929 here in San Francisco for many years serving as President, Vice-President as well as the District Governor. Foula married George Vasilogiorgis and they had two children, Mary and Dino. Her children were involved with various activities

in the church growing up. Foula also has a 12-year-old granddaughter Zoe. Foula worked in corporate America for many years and is presently working as the Administrative Assistant for the Metropolis of San Francisco.

**Maria Bissas** Maria Bissas was born in 1946 to Kostandinos and Chrisoula Koutoulas in the small town of Kandila, Tripoli. She was the 10th child of 12 siblings. Six boys and six girls. In 1960 at the age of 14, she moved to Athens to work. In 1968 her eldest broth-

er Fani Koutoulas petitioned for her to come and join him in the United States. By that time ,she met Stavros Bissas, whom she married in 1969. Maria and Stavros moved in with Fani and his family in Daly City and a few months later they found their own apartment on Guerrero Street in San Francisco. In 1971 they had their first child Despina and soon after bought a new house in The City where they welcomed their second child Panagioti and then their third child Chrisoula. In 1985, Stavros returned to Greece leaving Maria with 3 kids and a mortgage. She worked 6 days a week to support her family and always made sure that every Sunday they would put on their Sunday best, board the 14 Mission Bus and go to church where she would sing with her very distinctive and powerful voice. She literally worked her fingers to the bone and still continues to work. She is truly an unstoppable force and an incredible inspiration to those who know her. She always looks for opportunities to give back and help the church. Whether it be the festival, Easter, Christmas or any given Sunday, she is always there to give everything that she has for the good of the Annunciation Cathedral.

**Irene Alahousou Vafiadis** Irene Alahousou Vafiadis, oldest of 6 children was born in Kalymnos, Greece. She traveled to the United States in 1975 and married Stelios Vafiadis shortly thereafter. From their union two beautiful children were born, Nikolaos and Maria. Being an immigrant in the late 70's in San Francisco they found comfort, friendship, and community at the Annunciation Cathedral. This is where her children were baptized, made lifelong friendships, danced,

and attended Greek school. As a family, they made an effort to participate in all the activities that the church had to offer. Irene has always committed herself to serve God and the church in any way she could and always stepped up to the occasion. There are many words to describe this lovely lady, but the ones that come to mind are kind hearted, generous, empathetic, devoted, loyal and most of all strong. Her actions have always reflected, who she truly is and what she believes in.

## Mothers Day Luncheon — *continued*

This year's Philoptochos Mother's Day Luncheon and Fashion Show, held on Saturday, May 13, 2023, was absolutely fabulous, to echo the sentiments of the 200+ guests who attended. The event transported our guests back to old English times in Londontown, where the Bridgerton Family lives and the Royal family rules. From the gardenlike feel of our transformed hall to the Queen herself, our own Maria Allen, seated in her throne overseeing the event, her ladies in waiting by her side—Zoe Fanourgiakis, Pelagia Kratsas, Sophia Spachis, and Aristea Taptelis—our guests enjoyed a beautiful afternoon with us. The Bridgerton themed costumes, decorations, food, favors, and fashions enhanced the brilliant ambiance of the event. We were also treated to a beautiful vocal performance by Aristea Taptelis and lyrical dance performance by Sophia Spachis to popular songs from the Bridgerton series. A big thank you to all our beautiful models—adults, teens, and children, who were stunning walking down the runway!

The highlight of the event was proclaiming our 2023 Mothers of the Year—Maria Bissas, Irene Vafiadis, and Foula Vasiliogiorgis, three very worthy honorees for their years of dedication and service. In addition, we crowned our first Diamond of the Year, Despina Poulos, for her commitment and service to the Cathedral and Philoptochos. Αξίες! Please find a short biography of each of our mothers, in addition to our introduction, including a short bio of our Diamond. Thank you to all who attended, supported, and donated to the event, and especially, to the amazing committee who worked so hard to make this outstanding event possible!

**2023 Committee:** Irene Kyriacou - Chair, Janis Petrou, Mariam Arsinoos, Vivian Curd, Mia Fanourgiakis, Kalliope Fousekis, Grace Koutoulas, Presvytera Aliko Kyriacou, Dina Kratsas, Alexia Kleinkorte, Lea Lyberopoulos, Liberty Nuris, Lea Papavasiliou, Katerina Sarikakis, Eleni Taptelis, Lea Papavasiliou, Penny Vardakastanis, Foula Vasiliogiorgis, Meena Vellis

### Our Diamond

And Now for our last little surprise in true Lady Whistledown Fashion.... The Diamond. In the Bridgerton series, Queen Charlotte, names a Diamond of the Season. The most sought-after lady in the Ton. We decided to take a different spin on naming our Diamond of the season. Beyond their modern representations of marriage and commitment, diamonds are known to symbolize faithfulness and purity. Therefore, we decided to select a special lady, who shines bright in our community.

Our diamond was born in Greece, 1 of 4 sisters. She came to the United States in 1961, and was married here, at the Annunciation Cathedral. Always volunteering her time, talents, and energy (and she has lots!) for the Philoptochos and Cathedral, as well as, for other San Francisco community groups, she is one dynamic lady. Married for 45 years to her sweet husband, and traveling the world together on countless adventures, she truly enjoys life! Her motto is "She likes to make people happy". Not only is she always smiling, but she is one fashionable lady, but I suppose that comes from being being a stylist for 20 years, to the most discerning customers, BRIDES.....

If you haven't figured out who she is yet, I am so very honored to introduce you to our 2023 Diamond, to join our mothers of the year, Despina Poulos.

## Philoptochos News

Philoptochos hopes that the great feast of the Resurrection of Jesus Christ brought you love and strength and that Easter Sunday was memorable with family and friends.

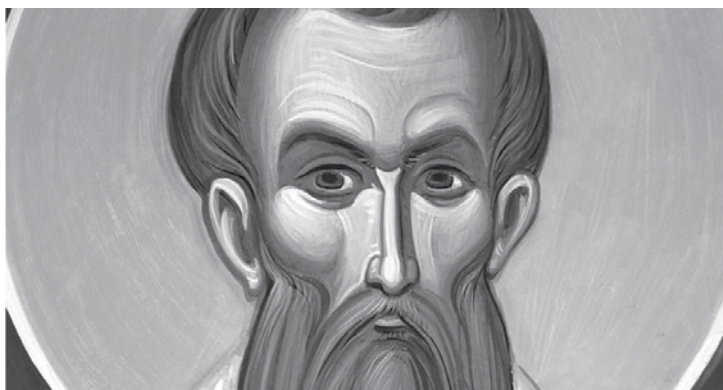

Our Easter bake sale of tsoureki and koulourakia was a huge success. We can't thank enough the talented group of men and women who worked to take the orders, mix the dough, bake, and package the bread and cookies for purchase and pick-up. The community support for this sale was wonderful, exceeding past years.

On Palm Sunday Philoptochos sponsored the fellowship coffee hour. Parishioners filled the hall and enjoyed the light lunch, each others company, taking their chances at the raffle drawing and browsing the "Bunny Boutique" for gifts. Thank you to Liberty Nuris who chaired the event and the many volunteers that ensured this day would be great.

All proceeds from the Easter bake, boutique and raffle will be going toward our charities which help those in need.

# *Greek Dance* **Annunciation Greek Dance Program Resumed Dance Practice in May!**

Are you looking for an opportunity for you or your children to actively learn about Greek culture, including dances, songs as well as regional traditions in a fun, exciting and welcoming community? Then, our award-winning dance program is for you! No experience is necessary, and we accept dancers at all levels for each age category. We currently have four dance groups and will be adding a fifth dance group in the fall to accommodate more youth interested in joining. Our groups practice weekly on Sundays after church, with additional practices added in the winter to prepare for the annual Folk Dance Festival, FDF, held during Presidents' weekend in February.

It is a wonderful program where dancers make lifelong friendships, meet other Greek Orthodox youth from parishes all over the United States during FDF weekend, and compete in a friendly and supportive environment. In addition to

competing at FDF, our dancers have other opportunities to perform, including at the Greek Independence Day celebration at Union Square in San Francisco, our festival this coming September, and more.

Rizes, consisting of dancers ages 7-9, is currently our youngest group and is directed by Penny Vardakastanis, Giana Papavasiliou and Kallie Lyberopoulos. For dancers ages 10-12, we have To Mellon, which is directed by Irene Kyriakou and Katerina Sarikakis.

Revmata consists of dancers ages 12-15 and is directed by Eleni Taptelis, Katerina Sarikakis, Stelios Kyriakou and Kosta Lyberopoulos. Our eldest group, Spithes, consists of dancers ages 16+, and is directed by Irene Kyriakou, Lea Lyberopoulos and Lea Papavasiliou.

**Rizes, To Mellon and Revmata at this year's FDF Opening Ceremonies.**

**Rizes, our 7-9 year old group, performing on stage at this year's FDF.**

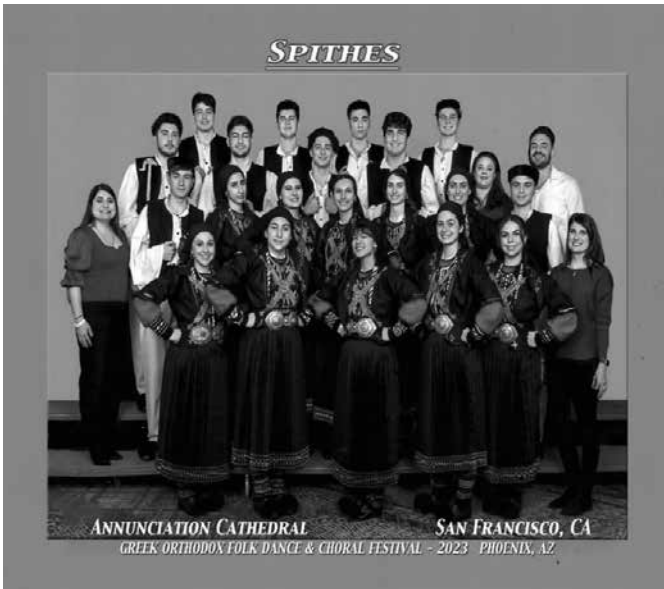

All four groups medaled this past FDF, with our eldest group, Spithes, taking home the Division I Sweepstakes award, To Mellon, first place in their category, and Revmata and Rizes coming home with the 4th place medal in their respective categories. We are very proud of them all and look forward to starting our newest group, which will consist of 4-6 year old dancers, who will be directed by Evgenia Fkiaras, Taia Konstantinidis,

We have continued practices during the month of May and will take a break for the summer before starting up again in September. If you are interested in joining, please contact the program at [sfgreekdance@annunciation.org](mailto:sfgreekdance@annunciation.org), or stick around after church to observe and/participate in the upcoming practices and meet the directors and dancers. You are welcome to come and try our program with no obligation. We look forward to welcoming new dancers (and friends) to our program! Opa!

**Revmata performing at San Francisco's Union Square for this year's Greek Independence Day Celebration.**

**Spithes performing on stage at this year's FDF. Opa!**

**Spithes, Sweepstakes winners, all-around first place out of all 4 categories in Division II!**

**Revmata, 4th place medal, Advanced Junior category.**

**To Mellon, 1st place medal, Advanced Primary category.**

**Rizes, 4th place medal, Primary category.**

# Elpida

On Lazarus Saturday, Elpida hosted an afternoon of Lazarus Saturday Activities for our Annunciation Community. Children learned about the miracle of Lazarus, and even acted out the story in small groups with toilet paper mummies. We enjoyed feasting on Lazarakia ,making Anastasi Candles and folding palm crosses for Palm Sunday the next day. It was a wonderful community building event rooted in the Greek Orthodox Faith.

Elpida continued to bring our community together during Holy Week. Luminaries were available for purchase in “Loving Memory” of loved ones as well as “The Health of” members in our community. These luminaries started in the parking garage and “lit the path” to the Epitaphios. Holy Friday also high-

lighted over 15 young ladies in varying ages in beautiful white gowns and floral crowns as Myrrh Bearers. It has been quite some time since we have had that many young ladies participate in the moving Holy Friday service. In addition to the many young ladies who participated, many young men served in the altar for the first time. Everyone did a wonderful job.

Elpida wrapped up its curriculum ending the school year with lessons about Pentecost. Elpida will resume classes in the fall. Our first class will be on Sunday, September 10th. In addition to classes, Elpida will host another multiparish retreat on Saturday, October 14th at the Annunciation Cathedral. Information about registration will be sent out at the end of the summer.

*Our soul waits for the Lord; He is our help and shield. Yes our hearts are glad in Him, because we trust in His holy name. Let Your steadfast love, O Lord be upon us, even as we hope in You (Psalms: Chapter 33, Verses 20–22).*
