HERALD

NOVEMBER 2023

My Dear Brothers and Sisters in Christ,

Beginning the eleventh month of the year, November, we all anticipate so many wonderful feast days and holidays. On November 1st, our church celebrates Sts. Kosmas and Damianos and their mother Theodota. On the 3rd, we celebrate St. Elpiodophoros (Nameday of our Beloved Archbishop). On the 8th, Synaxis of the Archangels. On the 9th, we remember St Nektarios and on the 13th, St John Chrysostom. On the 14th, we celebrate Philip the Apostle and St Gregory Palamas followed by St Matthew the Apostle on the 16th, and the start of the Nativity Fast on the 15th. We also celebrate the Entrance of the Theotokos into the Temple on the 21st. St. Katherine the Great on the 25th, and St. Stylianos on the 26th. And finally, St Andrew the First-Called Apostle (and patron Saint of Greek Orthodox Clergy) on the 30th.

As you can see, the feasts are abundant in November, and I haven't even mentioned all of the Saints! Yet there is one celebration in November we all celebrate regardless of our Faith or belief, and that is Thanksgiving. On that day as

we gather around the table, we need to be thankful. And what the secular world forgets, is whom we thank. I thank God! I thank Him for my family, my community, my friends, and for all the blessings He has given me in my life. I also pray for those who are not around a table of abundance, and that all are warm and fed and safe.

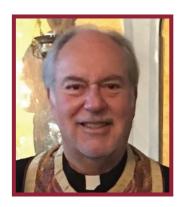

While Thanksgiving is not necessarily considered a religious holiday, it teaches us important faith-based lessons. It allows us to pause and reflect on things and people we are grateful for and hopefully motivates us to give to those less fortunate. It is an opportunity to help those in need that struggle with food insecurity, poverty, loneliness and other hardships. The holiday also promotes community and connection. It is a time to come together to strengthen bonds and build a sense of togetherness in the spirit of unity and compassion. It also teaches important values to our children. such as empathy, generosity and the significance of helping others. The fulfillment and happiness not only benefits those who are helped, but those doing the helping.

Therefore my friends, I view the Month of November as a very Holy Month. It is a month that brings everyone together: those of great faith and those of little faith. We must remember we are all brothers and sisters in Christ.

On behalf of Presvytera Mary and my family, God Bless you all and have a Glorious God-Blessed Thanksgiving.

+Fr. Angelo Pappas

"Well Done, Good and Faithful Servant"

Our Stewardship theme for 2024 is "Well Done, Good and Faithful Servant," from the Parable of the Talents. We are all blessed with certain gifts. This parable stresses the importance of developing our gifts, multiplying them, and offering them back in service to God.

On Sunday, November 12th we will be celebrating Stewardship Sunday at the Cathedral! We are happy to offer a luncheon free of cost for everyone following Divine Liturgy. There will also be brief presentation on the importance of a thriving Stewardship program in our community. We invite everyone to attend and learn more about how we can all positively impact our Cathedral. Let's come together to realize our potential as a community. If you would like to attend the luncheon, please RSVP by simply emailing Denise Yeilding at denise.yeilding@annunciation.org We look forward to seeing you there!

On Sunday, October 15th, children gathered at the Cathedral for Elpida. Our TK/K students learned about St. Demetrios and how he showed bravery in his faith. Our 1st-4th grade students learned about St. Luke. St. Luke was the first Orthodox Iconographer. After learning about St. Luke, Elpida students created their own icons on walnut wood planks. They turned out beautifully!

Our Highschool students and middle schoolers combined classes this session and focused on giving back to the community. Students created "blessing bags" for the homeless. Each bag contained scarfs, gloves, hats, toiletries, written notes of encouragement and an icon of Panagia. Our Elpida students made over 50 bags that will be distributed to our soup kitchen guests in November.

Our next Elpida session will take place on November 19th. Classes will focus on the Nativity Story and preparing for the upcoming **Christmas Program on December 17th**. Please join Elpida as they present their Christmas Program to the Annunciation Cathedral following Divine Liturgy on December 17th. More Details to Come!
